

# A collective power for community good

**Are you someone who wants to make positive changes in your community and the world?** Rotary provides the opportunity to give back to the community, supported by a friendly club environment and using the platform of a global service organisation. It is non-political and non-religious.

## Who are we and what do we stand for?

**Heirisson is a special club.** We do projects that deliver significant community benefits by using our members' interests, strengths and capacity, while maintaining an inclusive, supportive and fun club environment. Our club has almost equal numbers of men and women – the first Rotary club in WA to do so.

## What do we do?

We have 4 core focus areas: **Community Services, Club Services, Youth and International Projects.** Members choose which focus areas they are most interested in by participating in those Directorates as well as in overall Club activities. Each Directorate, has a mission:

**Club Services:** To support the club with friendliness, a sense of belonging, fellowship, teamwork and fun, while embracing inclusivity and diversity, without making judgements.

**Youth:** To enhance opportunities available to students, in particular Girrawheen Senior High School and Youth Exchange Program.

**Community Services:** To support the vulnerable in our community and give them a path forward.

**International:** To support disadvantaged people from developing nations specifically Southeast Asia.

We undertake a number of fund-raising events throughout the year to support the many different programs and projects we support.

## When and where do we meet?

We meet every first and third Wednesday of the month at the Perth & Tattersall's Bowling & Recreation Club, [2 Plain St, East Perth](#). We meet for dinner at 6pm followed by a meeting between 7pm-8pm, usually with a guest speaker.
